SNOOPY TRIVIA

- ◆ Cartoonist, Charles Schulz, who drew the "Peanuts" comics strips, modeled Snoopy after his childhood dog name Spike, a black and white mixed breed.
- ◆ "Peanuts" made its debut on October 2, 1950--and Snoopy showed up two days later. A little puppy, he was carrying a flower and walked by a window box of flowers being watered by Patty, who mistakenly watered Snoopy and his flower, too.
- ◆ Snoopy's only regret in life was that he was not born as a Golden Retriever.
- ◆ The lunar module for the 1969 Apollo 10 mission was named "Snoopy." (The command ship of the mission was called "Charlie Brown.")
- ◆ What are the names of Snoopy's siblings? In the order that they were introduced in the

BIOGRAPHIES

JESSE HITE (SNOOPY): Very few times in my career have I had a Sophomore come in and audition for the first time and blow us away, but it happened this year. I had never heard Jesse speak before auditions, and I was wondering why such a quiet shy kid would want to try out for a lead in a musical. Well since then I have found out there's nothing quiet or shy about Jesse. What a fun and amazing talented kid! Jesse is also in the rock band "Chance" and plans on being a rockstar or a dentist. He lists his favorite memory of this show as going to WalMart. Makes you wonder what possibly could have happened at WalMart on a late Saturday night. You will be seeing more great things from Jesse I'm sure!

SNOOPY

DAVID HUNDLEY (CHARLIE BROWN): You will notice a recurring theme at new faces as leads this year. Unfortunately David waited until his Senior year to wow us with his talent. You actually saw him as a Sailor in "Anything Goes" his Freshmen year. David is one of the most natural Charlie Browns I could imagine. It's almost as if he is not acting. David plans on attending Lincoln Christian College. He currently works at Bath and Body Works and also plays in band. He states his favorite part of the show was play practice at Mr. Powers' house. It must have been a really great party or everything else must have really been boring.

CHARLIE BROWN

CHLOE PISTORIUS (LUCY): The year before Chloe started Kindergarten, I did a play for the Forsyth Parks and Recreation and Chloe had the lead in it. I knew then she was headed for great things. Little did I know that this sweet, precious, little girl would grow up to be the mean bossy Lucy who makes fun of everyone and tells Charlie Brown off every chance she gets. You have also seen Chloe in "Anything Goes," the bird in "Once Upon a Mattress," and an orchestra girl in "Sugar." She is involved in student council, National Honor Society, Golf Team, Trojanettes, Millikin Youth Choir, church youth group, and MFHS Chorus. She plans on attending a four year university. . . hopefully somewhere that's warm. She sends out special thanks to her mom and dad and Jesus Christ for everything He does in her life. Her favorite memory includes throwing a ham. Must be a new video game.

LUCY

BIOGRAPHIES

ZACH MILLS (LINUS): Zach is a junior in high school and worked backstage for "Once Upon a Mattress" and was the neurotic Bienstock in "Sugar." This year, Zach has done a complete 180 to play the thumb-sucking, blanket carrying character. Was this type casting on our part??? He is also involved in golf, basketball, band, and chorus. He plans on attending a four year university. His favorite memory is Maria's line to him. Do you think it was the line or Maria? Hmmm.

LINUS

MARIA BLUMHORST (PEPPERMINT PATTY): Maria is a junior in high school.

She was a Lady in Waiting in "Once Upon a Mattress" and an orchestra girl in "Sugar." Maria will melt your heart with her gorgeous voice. She has wonderful stage presence, and is just a natural at throwing those little zingers at people. She is also active in volleyball, chorus, and singing as much as possible. She appreciates the support and comfort she received after a terrible fall backstage (that was sarcasm... we're still laughing about it).

PATTY

SARAH RECTOR (SALLY): Sarah is a sophomore at Maroa-Forsyth High School. Her facial expressions are a natural for the stage. Her sweet demeanor and innocence makes her a natural as Charlie Brown's little sister who is in love with Linus. You also saw Sarah as an orchestra girl in "Sugar." Sarah is also in band, chorus, church youth group, and art. She plans on attending college to become a counselor or social worker. She sends special thanks to her family, cast, directors, Mrs. Pichetti-Zimmerman (for the amazing coat hanger sculpture) and to Jesus Christ. Her favorite memory also involves ham throwing. It sounds like someone was up to no good.

SALLY

STACY BAKER (WOODSTOCK): Stacy is a senior at MFHS and this is the fourth year we have been able to enjoy her dancing. She was a tap dancer in "Anything Goes" and "Sugar" and did a pointe ballet in "Once Upon a Mattress." Stacy is also in Student Council, National Honor Society, SADD president, Dance Team captain and choreographer, youth group leader, and studies dance at Debbie's Dance Studio. She plans

on attending Millikin, getting her degree in nursing then pursuing a masters degree to become a nurse practitioner. She plans on getting married and having a "Baker's Dozen." Her favorite memory also includes the pizza party at Powers' and something about a ham. Do you think those two things are related?

CHRISTOPHER WEISENBORN (ASSISTANT DIRECTOR): A senior at Millikin University, Mr. Weisenborn will graduate Summa Cum Laude in May. While at Millikin, Mr. Weisenborn has served as President of University Choir (the top choir at Millikin), was named to the Dean's List every semester, served as an accompanist for several of the choirs, and was inducted into Alpha Lambda Delta National Academic Honor Society. His musical credits as a pianist in the orchestra for Millikin productions include: *Damn Yankees*, *The Baker's Wife*, *Sugar*, *Lucky Stiff*, and *A Chorus Line*. Outside of Millikin, Mr. Weisenborn has served as the Asst. Director of the Thomas Jefferson Middle School Show Choir in Decatur, IL, worked as a staff member of the B.O.S.S. program with the Decatur Park District, and was a member of the Decatur Park Singers for the past 3 summers. Mr. Weisenborn also serves as the Choir Director and Worship Leader at Maroa Christian Church, as well as the director for the Maroa-Forsyth Community Christmas Musical. We are also lucky to have Mr. Weisenborn as our new K-5 music teacher for the Maroa-Forsyth School District!

TONY CAPPS: (CHOREOGRAPHER): Tony started his career at Mt. Zion High School in the Swingsations. He has since then been on stage or choreographed more than 30 productions. He also has been the choreographer for choirs in Decatur, Mt. Zion, Argenta, Clinton, Bloomington, and Bethany. He is by day the owner of R.S. Consultants in Decatur, but we have been fortunate for the past 13 years to have had him as our choreographer for our musicals. He is always amazed that these kids will do whatever you want them to. He is married to Kathie and has one daughter Marisa (who is a freshmen at MFHS). We are fortunate to have such a talented individual to work with the kids.

EDD POWERS (DIRECTOR): Edd received his Bachelor of Music Education from Illinois State University and a Masters degree from VanderCook College of Music in Chicago. Before coming to Maroa-Forsyth, he taught at Beason Elementary School and Illinois State University. He also works at the Clinton United Methodist Church as the Music Director. He has been involved in theatre work since 1970. He has worked every angle of shows, from directing to acting to playing in the orchestra. He is most comfortable when you give him a piano or a microphone. Edd is a proud father to four children, a son-in-law, a daughter-in-law, and two wonderful grandchildren, Chloe and Cooper who are the greatest joy in life for grandpa.
