Director's Note

I have always wanted to direct and work on this show with students; however, I wasn't for sure when this time would come or which group would be performing a fun, unique show such as Seussical! To be quite honest, I thought I bit off more than I could chew after I announced to the students what their musical would be this year. But, after seeing the auditions and a HUGE talent pool to choose from, I knew I had nothing to worry about. I can't describe enough how proud I am of all the hard work these students have put into this show. You will be so proud of them!

Thank you to Mr. Stewart and the Middle School Faculty and staff for allowing us to perform for you all on Friday afternoon (and letting the kids out of class to do this). It means a lot to these students to have you support them in all they do!

Thank you to all the parents that have supported not only this cast, but also this Middle School program and myself. I couldn't have done this without each and every one of you!

Mr. Weisenborn
