Director's Notes

I would like to welcome you to the 4th Annual Musical Production performed by Maroa-Forsyth Middle School Students.

This has been a great opportunity for these students to be exposed to live theater. I am very proud of all the hard work they have done to make this show a success!

We have so much talent in this group of students that I double cast the show to display the amazing acting and singing abilities of wonderful actors.

Thank you to the parents and family for supporting your students by getting them to rehearsals, picking them up, helping with costumes, and all the other behind the scenes you do to support our Music Program.

Sit back, relax, and enjoy this performance!

Mr. Weisenborn
