Well here we are starting another long year of school. For some of us, it will be the last one and for many of us it is just the beginning. I imagine that most of us are saying that we will be glad when we are out but you know they all say that our school days are our best days, so lets see if we cant all try real hard this year to make it one of our best years.

As usual we have a lot of green freshmen this year. During their initiation week I imagine that a lot of them will wish they had never heard of high school, but just take every thing ingood sportsmanship and remember we were all freshman once.

We also want to welcome our new students this year. I don't recall their names right now, but I have noticed a few in the halls. Of course they will have to be initiated this year also.

We are so sorry to loose Thelma, but we're glad that Charlotte is taking her place.

We also wish to thank those who are responsible for our new milk and ice-cream machines. Let's all take advantage of these two new machines more so then the pop machine as they are much more healthier.

Your-Co-Editors

A thank you to all of our advertisers in this year's Blue & Gold and to all of our subscribers. We hope you enjoy the 1954-55 issues.

F H A NEWS

September 22

The FHA and FFA sponsored a weiner roast and hayride Friday, September 10, from 7 to 10 p.m. Everyone brought his own weiner and bun. There were approximately 110 people present at the hayride. A good time was had by all, especially by the ones who enjoyed each other's company. We rode about 7 miles west on our hayrack.

Our chapter elected two chapter mothers and two chapter sisters. The chapter mother from Maroa is Mrs. Braden. Mrs. Holland is the chapter mother from Forsythe. Judy Jackson from Maroa and Ronda Lee Garfoot from Forsythe were the chapter sisters.

The club voted to have Hobo Day on October 7 and 8 during Teacher's Institute.

Our Club dues of 50¢ a year must be in Friday, Oct. 15.

JUNIOR CLASS

We are all together in one homeroom this year, and find it much easier to hold class meetings.

Our class officers for this year are:

- Pres.--Paul Seelbach
- Vice-Pres. Don Wisnasky
- Sec.--Larry Haines
- Treas.--Nancy Parker and Jim Flint
- PTA --David Lewis
- Student Council--Ruth McIlvenna
Allen Alexander
- Pep Committee--Jan K. Archey
Harold Arnold

Dear Agatha,

Well, here we are in school again, and we're all just happy as a lark. We have quite a few new students this year, and I am sure we all want to welcome them. The first day they couldn't even find the gym for a meeting, but the greenness is wearing off now and they can find their way around pretty well.

The other night at the F.F.A. and F.H.A. hayrack ride, there seemed to be a lot of new couples. It seems like Eloise S. and Dick S. are hitting it off pretty well. Carol Q. and Rosalyn C. have been seen together quite a lot lately. Maybe it's just puppy love. Nancy P. and Paul S. are also doing fine. I saw Bob L. and Phyllis H. at the hayrack ride also--I guess love must be grand.

Coach Boyd seems to have quite a few boys out for football this year, so let's all turn out for the games, and see if we can help them win.

That's about all the news up 'till now. I'll see you next month with more news. 'Bye now.

Love,

JUNIOR NEWS CONT'D.

We would appreciate all pupils buying candy at our stand at the noon hour, and also at the football games.

Please save your magazine subscriptions for the dr. class.

After the pupils were issued their permit driver's training lessons were started "behind the wheel." The course is being conducted by John E. Kitowski, our science teacher, who is also a legally qualified driver's training instructor.

LIBRARY NEWS

We are all proud of our high school library. Many untold hours were spent during the summer to bring the library up to a more efficient standard. Using the library score card issued by the American Library Association, and one by the North Central Association, purchases of books and equipment were made so that our library would measure up under any inspection.

A new fifteen drawer card catalog has been purchased. All books in the library are now catalogued. To help us in this tremendous job, catalog cards were purchased from The Library of Congress, and the H. W. Wilson Co.

A new vertical file has been purchased and many articles in the school have been properly filed with the help of the vertical file index to which the library subscribes.

The high school subscribes some thirty odd magazines listed in the Abridged Reader's Guide to which the library subscribes. All magazines on the abridged reader's guide were bound this summer.

The following books were on the Illinois Reading Circle list:

- Allén and others--Major Sports Illustrated
- Bentel--Program for Christine
- Brown--Frontier Beacon
- Buehr--Ships and Life Afloat
- Burlingame--Machines that Built America
- Criso--The Golden Quest
- Crousteau--The Silent World
- Cross--The Stolen Sphere
- Daly--Guns of Yorktown
- Darby--Pull Away, Boatman
- Dickson--Bennet High

- Douglas--Fate of the Clipper West-wind
- Edel--The Story of People
- Emery--County Fair
- Fenner--Crack of the Bat
- Floherly--Deep Down Under
- Gault--Mr. Fullback
- Graham--Jean Baptists Pointe De Bable
- Harnett--Nichola and the Wood Peck
- Heinkle in--Starman Jones

and many others

Special Emphasis was made to enlarge the library references for Speech. Following is the list of new speech references.

- Best Plays of 1953-54
- Clark--A History of Modern Drama
- Ellenwood--So You're Going to Make a Speech and others

Our library rates high in its collection of general reference books. New 1954 editions of Americanas, and the World Book have been placed on the shelves.

Another tremendous job completed during the summer was the pasting of new library book pockets in every book in the library over 3500 books. On these book pockets are printed the Maroa High School library rules. In addition, a new book

Therefore, we should feel proud of our high school library and the continued co-operation of the pupils and teachers will be appreciated.

How do you like the Christian Dior fashions?

Miss Melvin: Seems exotic to American people but they are very stylish.

Mrs. Brown: No good. Who wants to look like a boy? Bad for the health.

Jim Flint: I don't like them. Too flat.

Linda H.: I am going to buy patterns and make my own. I don't like them.

Dave Louis: Put them lower or higher. He doesn't know what he is talking about.

Mr. Shaw: I don't approve of them. Won't take effect this time.

Gary Luallen: I think he is crazy. He ought to be hung up by his ears.

Ross Walden: Ought to ride him out on a rail after he is tarred and feathered.

Mr. Newman: I don't think they should make them any shorter. They are short enough. I like the women the way they are.

Miss Macy: I don't think they will last.

Miss Steele: I won't get any new clothes this year so I don't think it will matter.

LuAnn Braden: Don't like it.

Mary Sue Dealey: Wow!

Shirley Wilson: Are you doing the Blue & Gold?

Mrs. Berry: You mean this is for the Blue & Gold? I'm having a meeting right now. I really don't know.

In our class meeting we elected the following officers:

- Ken Chalcraft--President
- Tom Meador--Vice-President

MAFOA EDGES SAYBROOK
6-0 SEPTEMBER 17

Maroa edged out a surprisingly strong Saybrook team by a score of 6-0. The lone score was made on a 25-yard pass from Fullback Dave Lynch to Don Wisnasky in the 2d Quarter. Each team picked up 7 first downs. Maroa passed 10 times and completed 5 for a .500 average, which is very good.

Maroa was forced to punt 6 times to Saybrook's 4. Maroa averaged 12 1/2 yards per punt return to Saybrook's 4 1/2 yds. per try. Maroa averaged 35 yds. per punt.

Gary Luallen intercepted a Saybrook pass in the 3rd quarter and raced 22 yds. before being stopped by Saybrook.

Everybody please turn out Sept. 22 at the Mt. Zion game and cheer the team to another victory.

THE CENTENNIAL

The gals all wearing them long dresses
 The guys with their "pretty beards"
 All that stuff about "going to jail"
 Is the funniest thing I've ever heard.

I've been down South, where hillbillies live
 But that don't even compare
 'Cause they don't wear them long dresses
 And their face don't have all that hair.

It is a lot of fun though
 After we start thinking about it,
 But if those "high-up" folks come 'round
 They would probably throw a fit.

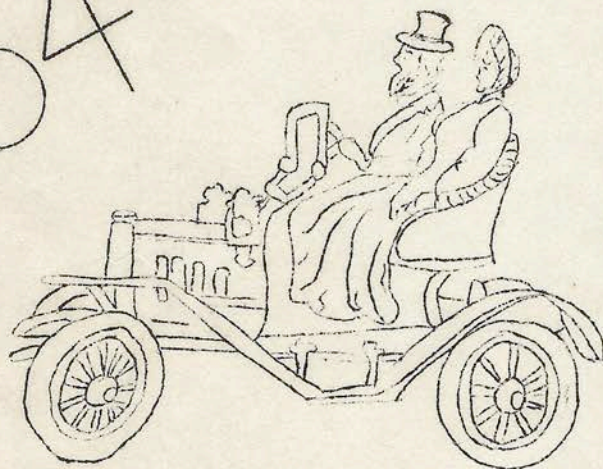

But it will end 'round the 25th
 We'll miss those "hairy guys"
 And after it's over, then we'll know
 We had more fun than we realized.
