## SRS DONATE GYM

The Senior Class of Maroa High School has donated a new gymnasium to the school. It is one of the finest high school gyms in the nation, if not the finest.

It has a seating capacity of 10,000 for basketball. Because of its great seating capacity, the State Basketball Tournament will be held there. It can be divided with folding curtain walls into three separate gyms for noon-hour basketball.

The new locker rooms are kept very clean by a crew of 30 janitors. All locker doors have separate burglar alarms and are three inches thick. The boys's locker room is furnished with automatic washing machines so that the boys won't have to carry their P.E. clothes home each week as they are now in the habit of doing. The showers are controlled by thermostats so they can be set at any temperature to suit the individual.

Separate rooms are adjacent to the gym for various sports. Among these are rooms for: Drop-The-Handkerchief, Tiddly-Winks, Leap-Frog, Jacks, and Dominoes. The Tiddly-Winks room is the finest in the nation and the next national tournament will be held there. It has facilities to make it possible to hold three games at once.

The gym was made possible through the generosity of the Class of '55 and shows their true and deep affection for M.H.S.

## JUNIOR CLASS NEWS

The Junior class voted un-animously to hold the Jr.-Sr. Prom at the Conrad-Hilton Hotel in Chicago, Illinois. The date of the big event is April 32. Spike Jones and his City Slickers will furnish the music(?). The menu consists of bread and salt water, also toothpicks upon demand.

The Junior play cast, due to their many demands, will go on nationwide tour starting May 40.

## FRESHMAN CLASS NEWS

The Freshman class is very disappointed over the last Honor Roll as only 90% got straight A's.

We have a new student but we don't know if it is a boy or a girl. It transferred from Mars University, but due to his poor education was sent to M.H.S. to get a poorer one.

## POST-GRADUATE NEWS

No news is good news. Amen.

## SENIOR CLASS NEWS

The Senior class has picked their motto. It is "Today is Tomorrow's Yesterday."

The class colors are black and blue.

The class flower is dandelion.

The Graduation Committee has ceased work on the details of our graduation because it doesn't seem likely anyone will graduate.

For Skip Day the seniors will make a tour of the business district of Emory. We have been warned by Mr. Shaw to beware of the heavy traffic.

## F.H.A. NEWS

The F.H.A. was honored to have Miss Kim Wilson speak at their last meeting. She talked on "How to Boil Fried Chewing Gum." The speech was so good the girls gave her a standing ovation for ten minutes and all missed their buses.

## F.F.A. NEWS

Mr. Albert Pigg gave a talk on "The effect of rain on rhubarb." The talk was followed by a ten-minute question period led by the class's leading rhubarb grower, Dean Burgener.

## G.A.A. NEWS

The Juniors beat the Seniors in a thrilling, double-overtime, high-scoring basketball game 2-1. Marla Klepper led the scoring with a 50 foot, left-handed, hook shot. Shirley Pittman tallied all the Seniors' points.

The new sport will be started next week. It will be Gin Rummy League. We feel that this will greatly strengthen the girls' wrist and arm muscles. It also will develop eye and muscle coordination.

Fifteen girls, all from the Freshman Class, left yesterday on a one mile hike and have yet to return. Mrs. Berry shouldn't set up such long and difficult hikes for the girls.

Badminton has been indefinitely cancelled as the birdie flew away during the last game. Wouldn't you fly away too if you got hit that often and that hard?

Miss Loreeta Rodgers has been decorated for heroism above and beyond the call of duty. At the last G. O. C. airplane spotting mission she spotted a bird flying south and estimated its speed at 110MPH. She immediately called it in to the Filter Center and four jets were sent up to determine whether or not it was friendly or an enemy spy plane in disguise. She has been awarded the "Spotter of the Year" and was decorated by General Keyes.

# FOR "A" STUDENTS ONLY

## STUDY TIPS

BY MISS MACE OF THE ENGLISH DEPT.

1. Remember that you'll get nowhere if you study.
2. Never write down assignments, because they are easier to forget this way.
3. Never do your assignments well or the teachers will expect too much from you.
4. Always study in a dark, quiet place, preferably the coal bin.
5. Never raise your hand in class for permission to speak, because it drains the blood into your shoulder and strains your shoulder muscles.
6. Always put your feet on other desks, because this saves wear and tear on the floor.
7. Copy whenever possible as this saves your brain for later life.
8. When taking a test always take a seat near an A student.
9. Plug your ears with cotton in typing class so that you can truthfully tell the teacher you didn't hear the timing bell.
10. Whenever possible obtain workbooks from students of the previous year.
11. Always leave your assignments at home so that you will have an extra day to work on them.

6. Never go out for any sports.

## MY LOVE AFFAIRS

by Guyneith Woodcock

I have only been engaged three times while a student at M.H.S.

I never married any of these boys because I didn't want to.

I came back for a post-grad course hoping to meet a boy I could really like and get married to.
